Horning Hedgehogs

No.02 Autumn Term

16.09.22

Inspiring Creative Learners

Hedgehogs Preschool

Wow! Another fantastic week in Hedgehogs. We have started our new topic for this half term which is 'people who help us' and this week we have had a focus on firefighters! The children have been very imaginative during their firefighter role play. We have been dressing up, driving around in pretend fire engines and even putting out fires in our outdoor area!

It has been Pom Poms galore in our tuff tray this week, the children have been working hard on their fine motor and control skills by spooning pom poms into different sized containers, which is actually much trickier than it looks so well done everyone!

Next week, we will be continuing with our topic focusing on medical professionals. See you then!

Otter Class

Otters have been busy learning about how to represent numbers, and counting forwards and backwards in maths. In English we are still using Rapunzel and our FANTASTICS to write super sentences. In our topic we are looking at communities, and are beginning to explore the world and different communities. We began this today by looking at the continents that make up the world. I imagine some of you will have been treated to "The Continent Song" by your children!

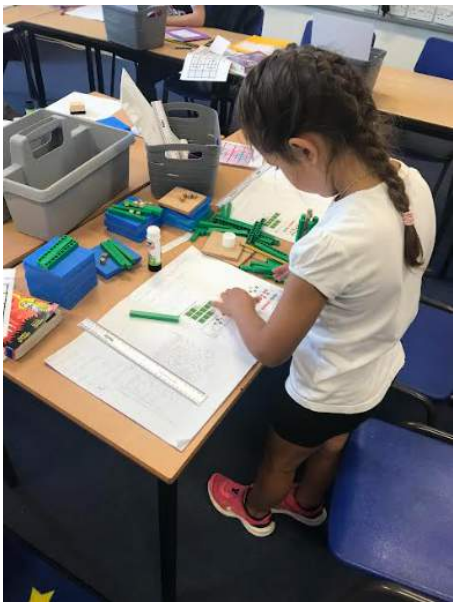

The children are really enjoying the boogie bounce sessions and who can blame them... music, dancing and bouncing! What's not to love?! They also get the chance to lead the session and be the teacher which they find very exciting!

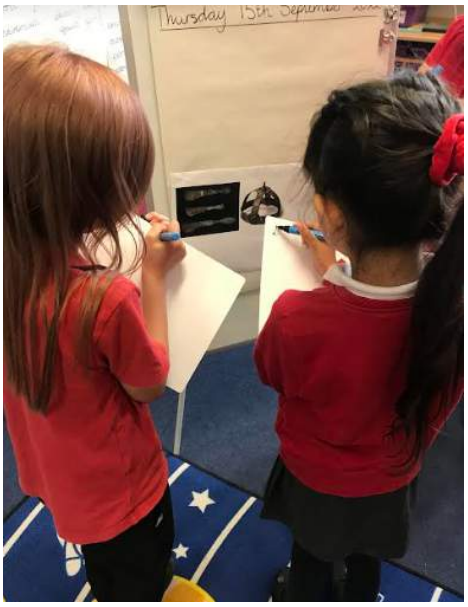

Please note the new PE days for both classes. Thank you for your continued support.

Fox Class-Years 3, 4, 5 and 6

It has been a hive of activity in Fox class this week as we delved into our Roman topic. The children thoroughly enjoyed finding out new information about who the Romans were and where they came from. We have linked this knowledge with our English as we began to write our diary entry about a voyage on a galley. Children linked conjunctions for cause and effect with time conjunctions to write some impressive opening sentences. In maths, Foxes have been exploring place value up to 100,000 with the use of visuals and manipulatives again. They have 'blown me away' with their enthusiasm for number. The best part of the week had to be our visiting Boogie Bounce instructor - the children had a marvellous time in the sunshine. Just take a look at the photographs. I am sure you will be tempted to have a go yourself! Well done Foxes on another fantastic week of learning.

Our Maths and topic learning this week.
