Horning Hedgehogs

No.03 Autumn Term

23.09.22

Inspiring Creative Learners

Hedgehogs Preschool

Another week has come and gone and we find ourselves heading towards Autumn. Hedgehogs have been discussing the quick changes in the weather. The children noticed the leaves falling, the leaves changing colour and it being much cooler. We have even found some acorns! We worked on our maths skills by ordering pine cones from smallest to biggest.

We have spent the week really appreciating our wonderful outdoor area, we really are very lucky. The children have been making some yummy mud pies in our new and improved mud kitchen, and some beautiful music on our lovely sound wall. In our outdoor tuff tray, we followed the children's interest and together we created a fantastic dinosaur adventure world.

Otter Class

Otters have been looking at 'More / Less' in maths and continued our stories of 'Rapunzel'. In topic lessons we have looked at Indian Weddings, Henna and the city of Mumbai. We have been loving our new weekly Boogie Bounce sessions and we are really excited for our next session! Soon we have got a special visitor coming in to do some workshops based on Diwali! Watch this space!

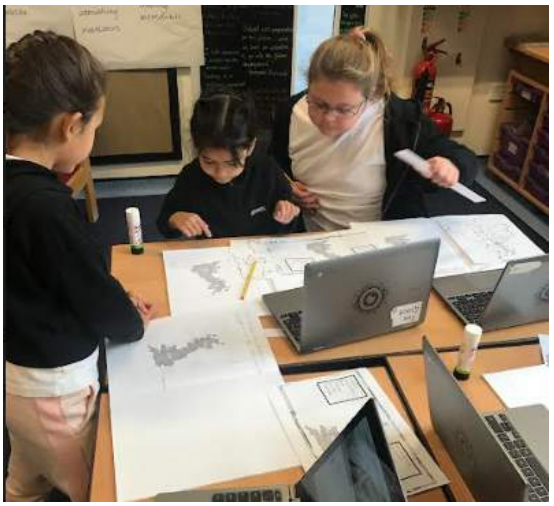

Please note the new PE days for both classes. Thank you for your continued support.

Fox Class-Years 3, 4, 5 and 6

This week saw the first of our music lessons from the visiting Norfolk Music Hub teacher which was well received in Fox class. Not only did we learn our first notes on the recorder but we also began to understand how to read music too. We can't wait until next week. Some of Fox class joined in the after-school club where children are learning to play the ukulele. (Spaces are still available if you wish to join - I am even considering it myself. It sounded so much fun!)

It has been a shorter week than normal but Key Stage Two have still managed to pack their learning in. Our independent diary writing showed stamina and reflection as we edited our work to showcase our understanding of cause and effect conjunctions, fronted adverbials and emotive phrases. Topic focused on map reading around Britain to identify where the Romans invaded. We looked further into many of the Latin names for our cities plotting these on our maps with the help of Google Earth. Do you know the first area the Romans invaded? Ask your child/ren because they should be able to tell you and name some of the Latin cities.

We hope you enjoy the photographs this week!

Term Dates

All in-term holiday requests will be classed as unauthorised absences. This will likely result in a fixed penalty notice being issued from Norfolk County Council.

In Norfolk, penalty notices are issued in accordance with the Norfolk Local Protocol. In all cases a penalty notice can only be issued if the pupil has accrued at least 9 sessions (4.5 school days) of unauthorised absence within the previous 6 school weeks. This would result in a fine of £60 per child per parent ie; for a family with 2 children this would total £240

The link below has more information about fixed penalty notices.
