Inspiring Creative Learners

Hedgehogs Preschool

Once again we have had another jam-packed week in Hedgehogs filled with all sorts of wonderful exploring. The setting has been smelling delicious all week thanks to our citrusy water play. We used our senses to investigate Lemons, Limes and Tangerines, the children used some fantastic describing works and enjoyed finding out what would happen when the fruit was squeezed. The children used their imagination to make us lemony cups of tea!
We have been doing some fabulous mark-making in our foil covered tuff tray, allowing children to creatively express their thoughts and ideas. Together we also recognised that different paint brushes/sponges created different shapes and textures. The children went crazy for mixing all the colours to see what they could make!
We have also been looking at different shapes in our surrounding environments, the children worked hard as a team to match all the shapes in our tuff tray.

Now that Autumn has officially arrived (and is here to stay!) can we make sure to provide coats, wellies ect in order to keep warm during our outdoor exploring! Thank you and have a lovely weekend!

Otter Class

Otters have been working super hard at composing their own music pieces this week. It has been so nice to hear the children exploring the instruments and creating their own sounds. In other areas we have been looking at our place value and getting ready to start looking at Diwali next week. Please see other notifications for information on our visitors next week (letter issued via email).

As it is starting to get more autumnal can we make sure we have coats etc to keep us warm at play times. Thank you .
Please note the new PE days for both classes. Thank you for your continued support.

Fox Class-Years 3, 4, 5 and 6

Despite changes to our normal routine this week, we have still managed to pack in our learning. The focus has been grammar with a spotlight on adverbial phrases and complex sentences. We have used this to write in role as a slave or young Roman in our final diary entry. Foxes have pulled out all the stops, showcasing some imaginative vocabulary to describe the ancient Port of Ostia. Great work! We have kept with the Roman theme in Maths as our place value has been stretched with Roman numerals too. Art saw use fiddling with small pieces of square paper to create a galleon in the style of a mosica. Of course we still had our regular recorder and Boogie Bounce sessions although our bouncing had to be inside this week. Autumn is well and truly here to stay. Our story cafe, for the McMillian Coffee Morning linked with the seasonal changes too. Everyone had a great time pinning, cutting, and stitching our friendly blackbirds. They look amazing. Fox class are looking forward to completing their scarecrow, adorned with blackbirds, ready for the Wroxham Barns Scarecrow Competition.

Term Dates

All in-term holiday requests will be classed as unauthorised absences. This will likely result in a fixed penalty notice being issued from Norfolk County Council.

In Norfolk, penalty notices are issued in accordance with the Norfolk Local Protocol. In all cases a penalty notice can only be issued if the pupil has accrued at least 9 sessions (4.5 school days) of unauthorised absence within the previous 6 school weeks. This would result in a fine of £60 per child per parent ie; for a family with 2 children this would total £240

	The link below has more information about fixed penalty notices. **Fixed Penalty Notices**
