Inspiring Creative Learners

Stay and play is back!

Sessions in preschool have now started and are running on a weekly basis! - Friday Mornings 9AM-11AM with the next **session on Friday 11th and 18th November 2022**. The stay and play sessions are open to babies, toddlers and young children aged 2-4 years old including those who don't currently attend the setting. The first session is free, with further sessions costing £2.50.

These sessions allow your child the opportunity to mix and make new friends. It is also a chance for parents and carers to meet new families in a caring and supportive environment.

Come and join us for some family fun and learning.

Please book in advance via school 01692 630470 or hedgehogs@coastaltogether.co.uk

World Cup PE Enrichment Day

On Monday 24th November the children will need to wear their PE kits as we have arranged a football enrichment event for them.

Please note Boogie Bounce has now finished so your child only needs to wear their PE kit on Fridays.

After school sports club starts again today and also has a World Cup focus. There are still a small number of spaces available. Please speak to Mrs Wilkinson in the school office or email if you would like a place for your child. There is still no charge for children to attend.

Hedgehogs Preschool

Well what a lovely first week back Hedgehogs have had! As always we are super impressed with how well the children have settled back into routines. We have seen some fantastic sharing, collaborative working and it has been delightful to see the children sharing their brilliant ideas with one another.

After discussing all things Bonfire night, we certainly entered November with a massive BANG! The children helped create our firework tuff tray. Together we discussed Onomatopoeia words, went glitter crazy and made lots of noise with our musical instruments. The children particularly liked banging the drums and tambourines to make the glitter and sand jump! We then wanted to continue on with our firework celebrations so we made our very own scrumptious sparklers! We melted chocolate, dipped breadsticks in and then covered in sprinkles. Yummy!

We like to be outside as much as possible in Hedgehogs, so with the weather turning colder and wetter, can we make sure to bring in wellies, coats, hats etc, thank you for your support!

Remembrance

We now have Royal British Legion poppy appeal merchandise in the school office. Children can make a donation for items in support of this cause.

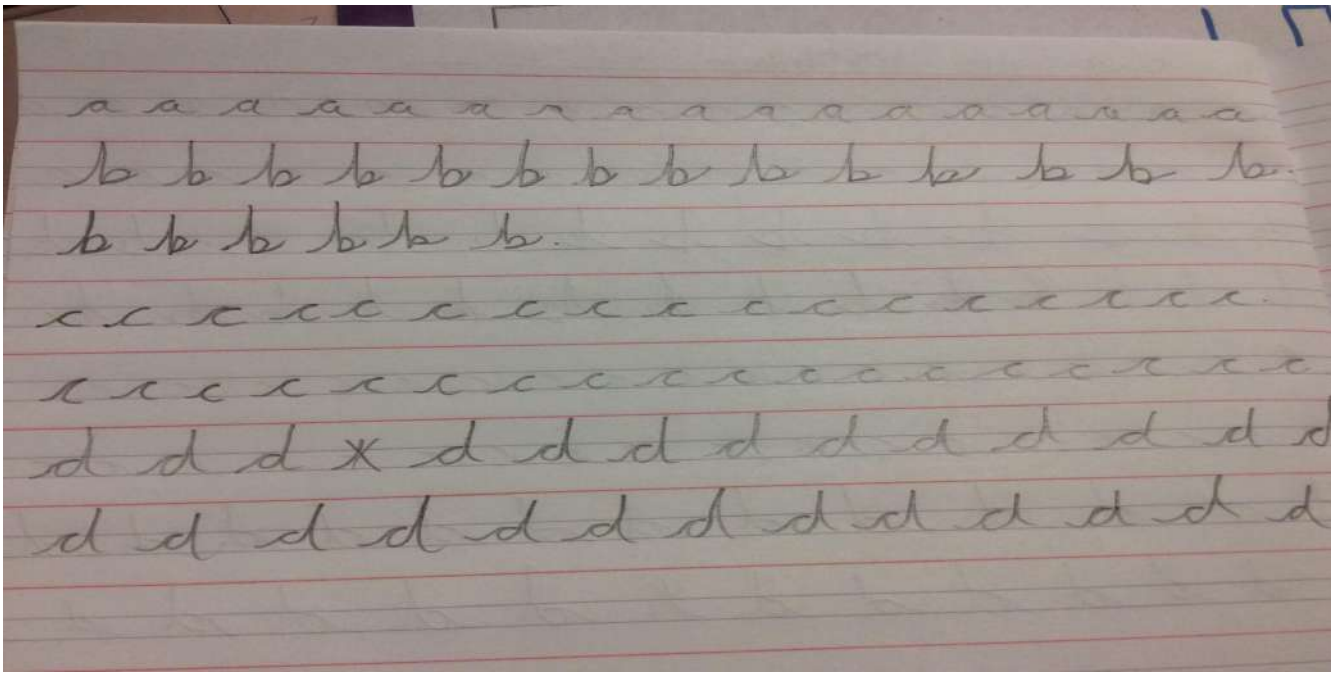

A reminder that children will also be walking to the church on Friday 11th November for a Remembrance service.

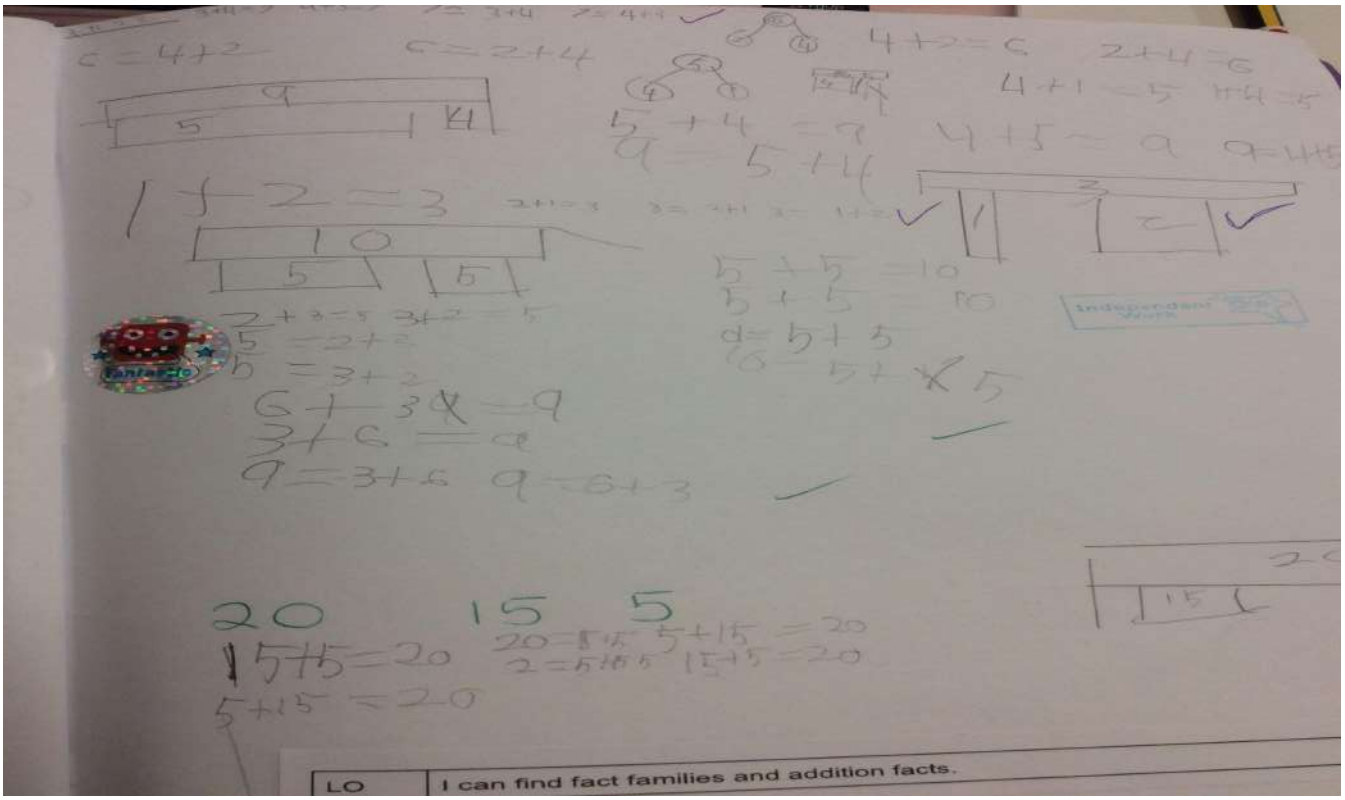

Otter Class

Wow what a first week back we have had! We have been doing some super writing, whole part models in maths and exploring materials in science. We are having a real focus on letter formation at the moment. We are ensuring that we are using the correct formation and stopping any bad habits! We are also starting to discuss auditions for the Christmas play and all the other exciting things that happen during the run up to Christmas.

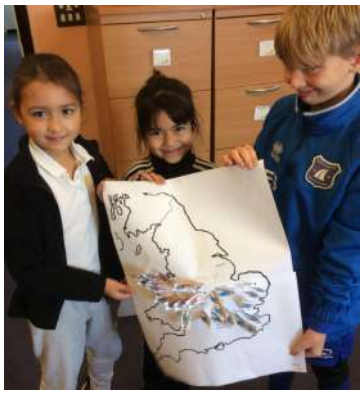

Can we also make sure that we are bringing in coats, hats, gloves etc as the weather is getting colder. We still need our water bottles too to keep us hydrated!
Here is a selection of our fantastic work.

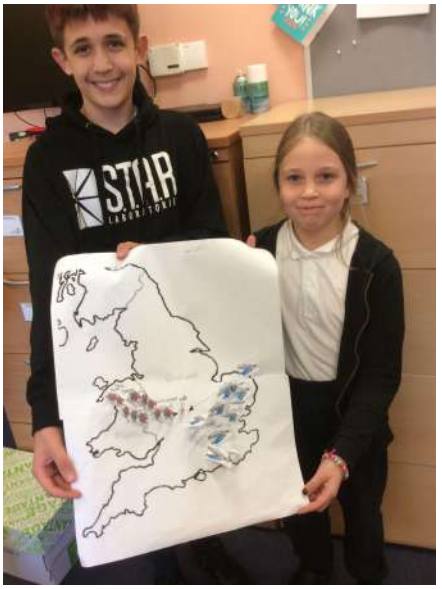

Fox Class-Years 3, 4, 5 and 6

What a brilliant start to the new term? The children have come back refreshed and energised. In topic we used our collaborative skills to first gather the appropriate information about where Boudicca's tribes and the Romans travelled before plotting, using maps, the revolt. Our 3D maps look amazing. We continued this theme through to our independent narrative detailing Boudicca's story. The Foxes have become more proficient at editing this week and are able to support each other with this task. We have missed our Boogie Bounce this week but Winter Wimbledon has come to Horning. Our PE for the next few weeks will be tennis so we could see the next Andy Murry or Serena Williams on the front court, weather permitting. Preparations have started for Community Village Cafe - We do hope you will be able to join us!

Village Cafe Event

Our next village cafe event is just around the corner on Monday 7th November 1:30-3:00 There will be a selection of delicious sweet and savoury treats along with hot and cold drinks all served by children from Fox class. There's also the opportunity to get crafty making your own poppy for remembrance. Donations of cakes to support the event would be very welcome. We hope you are able to join us for this second event in the community following the very successful cafe the children ran in the summer term.

It has been a busy week for the staff too. Horning hosted the Angles Maths Hub Mastery Launch. Staff learned together with several other schools from around the county. We have the pleasure of networking with them for the year to develop our skills and Mastery Curriculum. This will be a fantastic opportunity for children and staff. Watch this space!

Term Dates

All in-term holiday requests will be classed as unauthorised absences. This will likely result in a fixed penalty notice being issued from Norfolk County Council.

In Norfolk, penalty notices are issued in accordance with the Norfolk Local Protocol. In all cases a penalty notice can only be issued if the pupil has accrued at least 9 sessions (4.5 school days) of unauthorised absence within the previous 6 school weeks. This would result in a fine of £60 per child per parent ie; for a family with 2 children this would total £240

The link below has more information about fixed penalty notices.
