**Inspiring Creative Learners**

## Stay and play!

'Stay and Play' sessions are on Friday mornings 9 - 11am. They are open to babies, toddlers and young children aged 2-4 years old including those who don't currently attend the setting.

The first session is free, with further sessions costing £2.50.

A chance for parents and carers to meet new families in a caring and supportive environment.

Come and join us for some family fun and learning. Please book in advance via the school office

## Hedgehogs Forest Preschool

With winter drawing near, we've started to think about what the wildlife around us might be doing to prepare for the cold weather ahead. We learned a new word 'hibernation' and thought about how we can help our animal friends, particularly hedgehogs. With the help of some brilliant books from the Norfolk library service (we now have our own library card as part of the Bookstart scheme) we discovered what materials

hedgehogs use to make their cosy winter beds and foraged for moss, leaves and bendy twigs.

To help the hungry birds, we made apple bird feeders. It was fiddly to push the sunflower seeds into the apples but worth persevering.

To provide more shelter and food for our animal neighbours in the years to come, we planted trees from

The Woodland Trust in our wild area. A special thank you to our parent volunteer team who shared their knowledge, tools and enthusiasm.

Not forgetting the tiny creatures that are food for bigger animals, we created bug hotels reusing tin cans from the recycling bin. We measured and cut the dried stems of our sunflower plants to

make cosy spaces for bugs to rest in over winter.

## Otter Class

Otter class have had another brilliant week and have been working super hard practising songs for our Christmas performance.

In our English we have been looking at 'Lost and Found' which tells the story of an unlikely friendship between a little boy and a penguin. We all had a go at sketching a penguin before writing some descriptive sentences to tell the reader what features penguins have. Year 1 and 2 have shared some fantastic ideas during our sentence stack lessons, and have been working really hard on their handwriting and presentation. Reception children have also been trying really hard in phonics to master 'th' 'sh' 'ch' and 'ng'.

In our Maths, we have been working on comparing and applying our addition and subtraction learning. Year 1 and 2 have been having a go at coming up with their own comparison statements and have been working collaboratively to solve these. Reception children have been focussing on mastering their numbers to 5 and have been doing lots of practical activities to support their number recognition and formation.

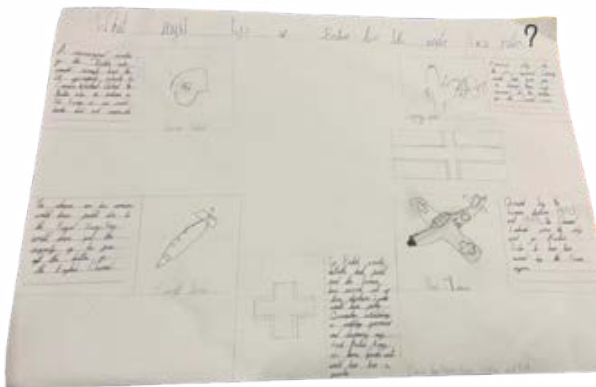

In our Topic this week we have been focussing on Geography and have been looking at navigation-making links to our work on Amelia Earhart. We have been using our knowledge of the 7 continents and 5 oceans to have a go at plotting Amelia Earhart's flight path!

## Fox Class

We have had another very busy week. Foxes wrote an independent non chronological report based on the Battle of Britain which included all their previous learning. We are now starting to look at the famous novel by C S Lewis, 'The Lion the Witch and the Wardrobe.' Foxes have begun to write incredible descriptions about what Lucy saw as she entered the magical wonderland of Narnia. We have included noun phrases, similes and even a splash of personification for good measure.

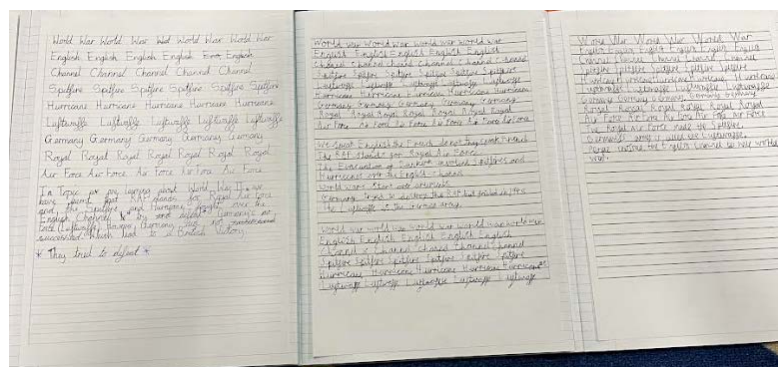

Our Topic lessons took a turn this week as we asked the question - What if Germany had gained air supremacy and invaded Britain? The children debated this in groups and there were some interesting thoughts.

In maths, some year groups are continuing to grapple with the concept of a written algorithm for addition. There has been a lot of resilience and reflection needed this week.

The Foxes have pulled out all the stops when it comes to memory because they have blown us away during song and script practice for our nativity. Talking of wind, we have seen a blustery end to the week but this did not deter anyone from their outdoor PE session. It can be tricky to throw a discus when the wind wants to return it like a frisbee.

Our homework is showing some excellent handwriting across the year groups.

## Colder Weather Takes Hold in Horning

The end of this week has seen a sudden change in the weather. Despite the cold and wet weather children will be going outside during breaks and lunchtimes as much as possible. With this in mind, can we please ask that your child/ren have the appropriate clothing; warm coat, scarf, hat and gloves will mean that they can still enjoy the brisk winter weather.

## Attendance/Safeguarding

Attendance target set by the government = 96.5%

Current updated Horning Primary School attendance this year to date is 97.84%

**All in-term holiday requests will be classed as unauthorised absences. This will likely result in a fixed penalty notice being issued from Norfolk County Council.**

**In Norfolk, penalty notices are issued in accordance with the Norfolk Local Protocol. In all cases a penalty notice can only be issued if the pupil has accrued at least 9 sessions (4.5 school days) of unauthorised absence within the previous 6 school weeks. This would result in a fine of £60 per child per parent ie; for a family with 2 children this would total £240**

This calendar applies to community schools, community special schools, VC schools and voluntary schools and sets the dates on which school transport will be provided. While most Foundation, SEN, Foundation special, free schools and academy trusts who are able to set their own dates, along the Norfolk (local) are advised to check with your child's school before making holiday or other arrangements.
