AIM Federation: Small schools, big opportunities

Monday 17th March 2025,

Dear Parents/Carers,

Re: Horning and Year 6 Dyson STEAM (Science, Technology, Engineering, Arts & Maths) Outreach event

We are very pleased to announce that next Tuesday 25th March, our year 6 children have been invited to attend Gresham's Senior School to take part in the Dyson STEAM (Science, Technology, Engineering, Arts and Maths) Outreach event.

As this is a fully funded outreach opportunity there will be NO CHARGE for this event.

Please complete the attached slip and return it by Friday 21st March to give consent for your child to attend and confirmation you are available to collect your child at the later time of 5:40-Horning

This will be an exciting opportunity for the children to team up with their peers and undertake STEAM projects and activities, many of which will have been devised by experts at the James Dyson Foundation and taught by Gresham's teachers.

Gresham's teachers across all five subjects will set exciting and fun tasks for the participants, introducing them to new techniques and equipment whilst showcasing the power of STEAM and its impact in the world.

The session is 3 hours long (1:30pm to 4:30pm) so we will be leaving school at 12:30pm and travelling by Coach to Gresham. We will return back to school at 5:40pm. Mrs Bellison will be accompanying the children during the visit.

If you have any questions, please do not hesitate to contact the school office.

Kind regards

Jan Bellison
Head of school

I do / do not give permission for my child to participate in the STEAM event at Gresham on Tuesday 25th March 2025.
