AIM Federation: Small schools, big opportunities

Tuesday 29th April

Dear Parents and Carers,

We have had a fantastic start to the summer term – it has been lovely to welcome everyone back, full of energy and smiles! We hope you all had a wonderful Easter break and are feeling refreshed and ready for the exciting weeks ahead. The children have settled back into school life brilliantly, and we are looking forward to a term packed with exciting learning opportunities, creative activities, and special celebrations.

As we move into the summer term, we would like to remind you of a few things to help everyone stay comfortable and prepared, whatever the weather brings:

- **Sunscreen:** Please apply sunscreen to your child before they come to school each morning when the weather is sunny.
- **Water Bottles:** Children should bring a clearly named water bottle to support hydration through the day.
- **Hats:** A named sunhat is very useful for outdoor play and learning.
- **Clothing:** Please ensure your child has suitable clothing for all weather – a light coat or jumper is a good idea, just in case!

We are also excited to let you know about our upcoming events this term - details and dates for these events are attached to this letter but there will also be more information to follow. Many of the events this term are open to parents and we really hope you can join us – it's always a pleasure to share these special moments with you.

Thank you, as always, for your continued support. We are looking forward to a fun-filled, busy, and memorable term ahead!

Kind regards

Mrs Jan Bellison
Head of School
