AIM Federation: Small schools, big opportunities

9th May 2025

Dear Parents/Carers,

As you know, our wonderful outdoor area is available to children throughout the day, and we are currently enjoying some lovely dry and sunny weather. With this in mind, we kindly remind you to continue sending your child with a sunhat and sunscreen each day. (If you could apply sunscreen at the start of the day that would be very helpful).

In addition, we would like to emphasise the importance of appropriate clothing and supportive footwear. This is not only in line with our preschool's health and safety policy but also ensures that children can fully and safely participate in all learning experiences, particularly those that take place outdoors.

Please ensure your child arrives at preschool each day wearing clothes that are suitable for active play and shoes that provide adequate support and protection—trainers are an ideal choice and wellingtons for those wet days. Open-toed sandals, flip-flops, crocs or any other slip-on shoes are not suitable for active outdoor play and may pose a risk of injury.

Thank you for your continued support in keeping our children safe and comfortable.

As always, if you have any concerns, please do not hesitate to contact me.

Kind regards

Charlotte Gower
Preschool Manager
