Monday 2nd June 2025

Re: Fox class Hautbois Activity Day Tuesday 16th June

Dear Parents and Carers,

During our activity week; Monday 16th June - Friday 20th June, children will be taking part in lots of different physical activities both in and out of school.

On Monday 16th June all children in Fox class will be taking part in a carousel of activities at Hautbois Activity Centre in Coltishall.

The activities children will experience are: Katakanu - paired canoes, Zip wire and an obstacle course.

Children should come to school dressed in warm P.E. kit and bring with them water shoes or an old pair of trainers for the water activity. They will also need a sunhat, suncream and a waterproof coat (weather dependent).

We will depart from school at 9:00 travelling by coach, arriving at Hautbois by 9:30 to begin our first activity session and return to school about 3.45pm. Lunch will be eaten onsite at Hautbois so children will need a packed lunch, snack and water bottle for the day. If you are ordering a school pack lunch please book this with the office.

We are requesting a contribution of £10 (£5.00 for PP children) to cover a proportion of the cost for the activities and transportation to and from Hautbois. The school will fund the remaining fees using our allocated sports premium. Please pay this via School Money and payment will be deemed as consent for the visit by 9th June.

Consent and Medical Form

A consent/ medical form has been sent home with your child/ren please can you fill in and return to the school office as soon as possible.

Further information about Hautbois and the types of activities children will be taking part in are available by visiting their website: https://www.hautbois.org.uk/schools/
