AIM Federation: Small schools, big opportunities

19th September 2025

Dear Parents and Carers,

We are delighted to share with you the opportunities available for children to take part in clubs at Horning. These clubs are a wonderful way for pupils to develop new skills, build confidence and enjoy learning outside of the classroom.

Premier Sports – Fridays

As in previous terms, Premier Sports will continue to run a club on Friday afternoons. This gives children a chance to be active, learn teamwork and enjoy a wide range of sporting activities led by experienced coaches.

Cookery Club – New for this Term will start Tuesday 23rd September 3:15pm until 4:15pm

Following an inspiring assembly on healthy eating led by Cira from Norse today, we are keen to introduce a cookery club for the children. The aim of this club is to give pupils the opportunity to explore healthy recipes, learn basic cooking skills and develop an understanding of nutrition in a fun and practical way.

If you would like your child to participate in one of our clubs, please email the school office.

We hope you will encourage your child to take part in these exciting opportunities. Clubs play an important role in enriching our school life and we look forward to seeing many children getting involved.

Thank you for your continued support.
