AIM Federation: Small schools, big opportunities

Monday 9th March 2026

Dear Parents and Carers,

Reception Phonics Breakfast

We are delighted to invite you to our Reception Phonics Breakfast on **Tuesday 24th March at 8:45am.**

This event is an important opportunity for you to join us and gain a clearer understanding of how phonics is taught in Reception and how this supports your child's early reading development. Working together between home and school is key to helping children make the best possible progress, and this session will show you practical ways to support your child's phonics learning.

During the morning, you will:

- Enjoy breakfast with your child
- Take part in a short phonics activity together
- Receive resources and guidance to help consolidate phonics learning

We strongly encourage all Reception parents and carers to attend so that you can fully support the phonics approaches your child is experiencing in school.

Thank you for your continued support.

Many thanks,

Kathryn Andrews
Head of School

Juliette Branch
Otters Class Teacher
