Federation of Schools

Small Schools, Big Opportunities

Dear Year 5 Parents,

The Federation Campout

You may remember receiving a letter before Easter to express your interest in your child attending our Year 5 Federation Campout which is taking place on Thursday 18th and Friday 19th June at Mundesley Junior School. We have finalised our plans and are looking forward to another funfilled camp.

As stated in the previous letter, all children attending will arrive at their 'home' school at normal school time. They will then be picked up by either a coach or a mini-bus which will transport them to Mundesley Junior School. The field will already have bell-tents in situ and the children will be shown where they are sleeping for the night.

We have a range of activities planned for the day. These include: scavenger hunts, nature activities and spending some time on the beach! In the evening, we will have fishcake/sausage and chips followed by a campfire and evening activities (weather permitting!).

The following day, on the Friday, there will be more group-focused activities for the children to participate in before having lunch (provided by us) and then returning back to their 'home' school via coach or minibus ready to be collected by the end of the normal school day. We will endeavour to keep all parents notified if there will be any changes to the time which your child will need to be collected on Friday 19th June.

Please ensure all payments are made on school money.

Breakfast will be provided; this will be an assortment of cereal and toast. Your child will need to bring a packed lunch for Thursday 18th and if you haven't already, please can you select your child's packed lunch option for Friday 19th June here. A suggested equipment list is on the reverse of this letter.

We look forward to your child attending our federation camp-out!
