

Monday 14th September 2026

Dear Year 6 Parents,

Isle of Wight Residential Week - July 2027

We have provisionally booked 'The Isle of Wight Experience' for Year 6's residential from 12th-16th July 2027. This is the final full week of the year. All normal end of year activities i.e leaver plays, parties, assemblies will happen in the preceding week, or the three days after. This visit will hopefully give them the confidence boost they need before their start at high school in September - a chance to start the journey to independence.

It will likely include; a boat cruise to see The Needles and, Black Gang Chine theme park, Fossil hunting, Tapnell Farm Aqua Park, Robin Hill Adventure Park, Shanklin Theatre and many other team building activities. Included in the cost of £470 (£235 for Pupil Premium/LAC children) is the coach, ferry, accommodation and food in our very own private accommodation - specially designed for school parties. We will offer staged payments for this residential visit.

To secure a place for your child we will require a non-refundable deposit of £40 by 28th September via School Money. Please could you fill in this google form to express your interest Year 6 Residential to IOW July 2027 Consent

The year 6 children will take part in a presentation by me on Thursday 17th September. We would like to invite parents who might have any questions to join us on **Thursday 24th September at 4pm** via the following zoom link. This is not compulsory but if you'd like a chance to find out a little more it might be useful to you. This is the link to the powerpoint which we will be using with the children and contains a lot of information about the visit, alongside a link to the photos from this year's visit.

Yours sincerely,

David Hopkins
Executive Head
